

Dear Ones at Christmas,

We trust this note finds you all rejoicing in the reason for the season. What a wonderful God we serve! His love is renewed daily!

We have experienced so many blessings this past year. We have seen God work in and through our ministry in so many ways. We have received grateful testimonies from many pastors that are becoming better prepared in their study of the Bible. At the same time, we have seen the enemy working on several fronts, trying to hinder what God wants accomplished. We are in a spiritual battle and depend on your continual prayers.

We recently found out that someone hacked into our Website and so we must completely redo many of the pages to eradicate the inserted scripting. I have run into several problems and would appreciate your prayer for wisdom and guidance. I have also been having problems with my computer and haven't been getting the necessary help from the computer company.

Because of the financial crisis, we have lost some of our support base. Presently we are lacking \$1,000 in monthly support.

We continue to trust in a great God who is able to supply. We have seen Him faithfully provide over the past 31 years and we are confident that He will continue to do so. Please pray with us for this need.

Thank you for your faithful prayer and support of our ministry!

“Give thanks to the Lord, for He is good.

His love endures forever.”
