**ADDRESSING THE NEEDS OF HISPANIC LEADERSHIP TRAINING  
WORLDWIDE THROUGH ONLINE LEARNING**

## Strengthening His Church through Leadership Training

*And the things you have heard me say in the presence of  
many witnesses entrust to reliable men who will also be  
qualified to teach others.*  
*2 Timothy 2:2*

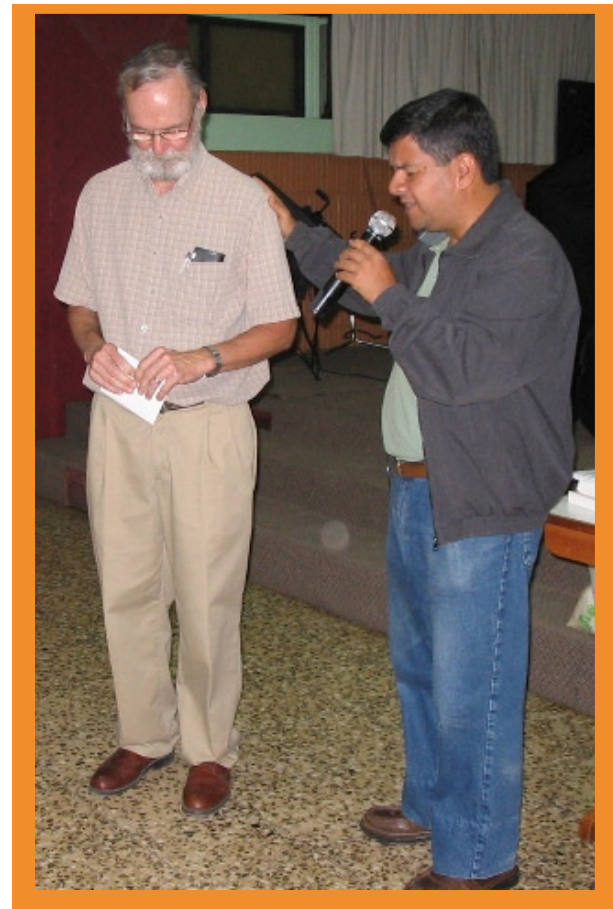

What motivates us to press on is helping pastors and church leaders learn to study the Bible more adequately and then make changes. Subsequently, these changes affect their lives and help their ministry be more effective.

Bob and Custodio (our Venezuelan co-worker) recently finished three online courses on how to study the Bible. They both appreciated having Ernesto's help (Ernesto is our facilitator from Spain). The three of them taught simultaneously and by doing that, were able to enrich what the students received.

Bob & Custodio are presently teaching a course on Ephesians that helps the students put into practices what they learned in the previous course.

Please **pray for these pastors and leaders that they would be diligent and committed and would finish well.**

Please **pray for our upcoming courses.** Pray for our secretary and me as we make contact with those who are interested. **Pray that God would direct the right leaders to these online courses.**

## FEEDING HIS CHURCH

Our online Spanish Bible study ministry continues to grow. We will have nearly 13,000 registered users. Our users are presently downloading approximately 12,000 Bible studies a month. We would appreciate your **prayer as I work at updating and upgrading our Website.** Our son Lucas is also helping improve our database, making it download faster for our secretary who uses it to maintain contact with the users.

# Writing & Editing Materials for Leadership Training

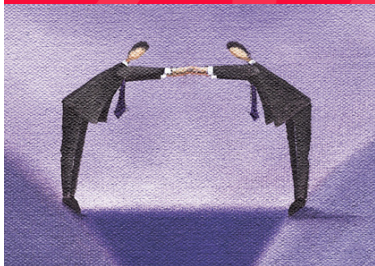

*"Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth." 2 Tim 2:15*

Bob & Custodio continue to work on several articles and books for helping pastors & leaders more adequately study the Bible. We plan to make these available through our Spanish ministry Website. **Pray for wisdom and stamina.**

Continue to **pray for direction for our ministry.** There is so much that can be done and so much potential, we need guidance from God to make wise choices. We also are in need of additional personnel in order to keep up with what we have to do.

## INVESTING IN GOD'S WORK IN LATIN AMERICA

Would you **prayerfully consider partnering with us** in our work with pastors and leaders in Latin America and throughout the world?

Due to the present economic crisis, we have had some individuals & churches lower their monthly giving. We are presently lacking **\$1,181** in our monthly support.

If you feel led to partner with us with a one-time gift or monthly support, please email us and we will send you the necessary information.

## FAMILY & MORE

First I would like to thank you for praying for Custodio's wife, Eva. She continues to heal from her back operation.

Cristina is still helping at the Hispanic church in Indianapolis and made the decision to work as a teacher in junior high ESL (English as a second language). For the most part she really enjoys it...especially interacting with the Hispanic families.

Janell continues with social work in the Chicago area and enjoys serving in her local church.

We look forward to a visit from Lucas and his family at Thanksgiving! It is very hard to be so far from the grandkids!

Our girls will be visiting at Christmas. What a blessing to be able to have all our kids visit in the near future!

**Pray for David as he has many important decisions to make** while he finishes his senior year in high school.

**Our prayer is that we would continue to grow in our relationship with God above everything else...because everything we do is influenced by that relationship! Please pray the same for all our kids.**

Thank you so very much for your prayers & support! We depend on them!

With immense gratitude,

*Bob, Sandy & David Hanna*
